此組合推櫃之封板可隨意更換不同顏色之防火膠板面料及實木。
With a choice of colour & wood grain laminate side panels

組合推櫃配件 Accessories

本公司的組合推櫃可分為手動式及機械式兩種。櫃身採用優質冷軋電解鋼板制成粉沐噴塗表面處理，堅固耐用，負重量高，容量特大，可儲存一般盒式文件匣，掛式文件匣及電腦印紙等等。另備有鋼面或防火膠板面，單列或多列連組櫃，以供自由搭配。相同的儲存量，與一般文件櫃比較，組合推櫃可節省高達百分之七十之占地面積，可充分利用其辦公室的空間。

Our Company's Mobile Filing System (MFS) is developed to support heavy load with versatility. The MFS is made of high quality electro-galvanized cold rolled steel with a powder-coated finish which offers the ultimate protection against corrosion and wear. There are two models available, manual and mechanical. The MFS possesses a very large storage capacity for keeping documents and archives. It also offers a variety of accessories for accommodating box files, computer printouts and hanging pockets.
